GLOBAL OBJECTIVES

Learning Objectives at the end of the program - the Physician should be able to:

- Appreciate the impact of medical legal education, disclosure of medical errors and saying, "I'm sorry" to patients.
- Know the recent developments in medical malpractice cases.
- Appreciate the methods and techniques utilized by judges in resolving social security disability and workers compensation cases and the role of physicians in such cases.
- Know about medical antitrust lawsuits.
- Know about end-of-life issues and liability.
- Know the law of pain management, types of euthanasia, treatment of the terminally ill children and adults, chronic pain management in the clinical and research setting, and the consequences of abuse of controlled substances by medical professionals.
- Describe the higher educational program at the University of Oklahoma and the MD-JD program.

Accreditation Statement

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the Oklahoma State Medical Association (OSMA) and the Physicians Liability Insurance Company (PLICO). The OSMA is accredited by the ACCME to sponsor continuing medical education for physicians.

The OSMA designates this educational activity for a maximum of 7 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This course has been approved by the Mandatory Continuing Legal Education Commission of Oklahoma for a maximum of 8.00 credit hours, of which 1.0 hour is credit covering professional responsibility, legal ethics, or legal malpractice prevention.

Approved for credit toward the PLICO Risk Management premium discount.

Faculty/CME Planning Committee have no relevant financial relationships to disclose.
